# WORK EXPERIENCE

## Financial Data Scientist

UMÉRA Farms Nigeria Limited

October 2024 - Present

- ◆ Used PowerBI and SQL to **redefine and track KPIs** surrounding marketing initiatives, and supplied recommendations to **boost the company's landing page conversion rate by 38%**
- ◆ Led a team of nine (9) analysts to brainstorm potential marketing and sales improvements, and implemented A/B tests to **generate 15% more investors lead**.
- ◆ Pioneered **customer-centric analytics**, leveraging advanced tools to optimize revenue, improve ratings, and refine market strategies within the company.
- ◆ **Transformed the company's data infrastructure** by migrating from a conventional storage system to a **robust database architecture**, enhancing data accessibility, security, and efficiency.
- ◆ As the current **Deputy Head of ICT**, I constantly play a key role in **technology strategy, innovation, and digital transformation**, ensuring seamless IT operations and data-driven decision-making within the organization.
- ◆ Applied **prescriptive analytics** to optimize marketing campaigns, enabling data-driven decisions that enhanced revenue generation.

## Data Analyst & Data Scientist

Freelance

February 2021 - October 2024

- ◆ Designed and deployed **advanced financial models**, providing data-driven insights for strategic decision-making, and business growth.
- ◆ Developed **sales analytics and insights** solutions, leveraging data to drive business growth strategies and optimize revenue streams.
- ◆ Engineered an **XGBoost-powered fraud detection system**, successfully identifying anomalies and mitigating risks to protect financial assets.
- ◆ Orchestrated **marketing optimization strategies**, employing data science techniques to enhance campaign performance and customer conversion rates.
- ◆ Led the development of a **customer churn prediction model** for the telecom industry, leveraging machine learning to improve customer retention strategies.
- ◆ Implemented **feature engineering and attribution modeling** on e-commerce data, optimizing marketing effectiveness and customer engagement.

# COMMUNITY ENGAGEMENT & LEADERSHIP

- ◆ **Graduate, Daystar Executive Leadership Academy** – Expertise in strategic leadership and innovation.
- ◆ **Mentor & Speaker** – Conducted workshops on **Data Analytics and AI** for aspiring professionals.
- ◆ **Volunteer Data Consultant** – Assisted startups with data-driven decision-making and process optimization.

# Certifications & Licences Acquired

- ◆ Certified Data Scientist [click here!!!](#)
